

Dear Sev,

Thank you from the bottom of my heart for everything you have done for Concourse. From the moment you joined us in 2018, you have managed one of our Key Accounts so successfully while also bonding the team and helping to shape the family we are today. We will miss you dearly.

Good luck for the next chapter, I'm super excited for you.

Please keep in touch.

The illustration shows a woman with long dark hair and a yellow top sitting on an Air France airplane. The plane is flying over a cityscape that includes the Singapore Lionfish and the Paris Eiffel Tower. A thought bubble above the woman contains a photo of the Eiffel Tower. The background is a warm orange color with stylized clouds.
