

## Weng,

I still remember vividly the first time I sent you a whatsapp message and clicking on your profile and then considering the 'who is being objectified' on your shirt and wondering who the heck I was hiring!! Well it turned out to be one of the best hires we made and I'm certainly going to miss you on so many fronts. Your hard work, great sense of humour and kind spirit will be sorely missed. I can only wish you the very best Weng, you deserve it and I know we will continue to be friends for life.

All the best in the next chapter buddy and don't forget to have drinks with us at least once a quarter!

First of all, it has been a pleasure working with you.

Thank you for all your patience, help and support these past years at Concourse. Though it really saddens us that you are leaving, you know very well that this is not the last time we'll see each other.

We wish you all the best in life and all your future endeavours! You know where to find us and we know where to find you in Geylang :p

**Hi Weng,**

So many fun and crazy memories over the last 4+ years Weng! And it is a pleasure working alongside with you. It's just sad knowing that you'll be leaving us, your Concourse family, but you'll still be in our hearts Weng!

Your presence and your RBF will be missed, that's for sure! Thank you for not just being a good colleague but a good friend (Acquaintance as how you categorize me! Hahaha).

No goodbyes, we'll surely catch-up one day again. All the best and continue to excel in life!
